

### SHOW YOUR SUPPORT FOR THE MUSEUM

As our county begins its third century, the Clark County Historical Association needs your support to help make the Museum's on going plans a reality! Plans for updating the museum include refurbishing interior gallery spaces; the creation of a media area where visitors will be introduced to Clark County and the museum through a short, educational video; and updating the family history research room.

Additionally, outreach programs will be developed for K-12 students in the surrounding school districts, including both traveling exhibits and sponsored field trips to the museum. It is imperative that students in Clark County have the opportunity to learn about their history and the shoulders on which they stand.
